STAR Education is proud to announce our 11th Annual RockSTAR Winter Rockfest here in Los Angeles! RockSTAR Music Education is taking over at The El Rey Theater Sunday, January 26th, 2020, where our students will rock out in front of an audience of hundreds. It doesn't get any more rock 'n' roll than this – 80 of our student bands will be showcasing their musical genius on the main stage!

For the past twelve years, STAR's RockSTAR Music Education Department has continued to gain momentum and is now better than ever. With classes in Los Angeles, San Diego, and Sacramento, RockSTAR is determined to create and inspire young musicians throughout the state. We're constantly evolving: improving the experience we provide for our student rockers, reaching out to more families, and continuously striving for the excellence that makes us the top after school music education program in California!

Our past and continued success is undeniably tied to the incredible dedication, support and encouragement of our RockSTAR families. Everyone involved in RockSTAR is an essential part of the vast network that makes our students dreams come true. To make this an unforgettable experience for all, we ask that our supporters unite in a common goal of spreading music education and reaching out to any connections that might be beneficial to this event.

If you would like to get involved, and you have any rock n' roll related items you want to donate to the event, please contact rockstar@starinc.org. RockSTAR Music Education is extremely grateful for all of your support!

Along with this letter, please find a page of the Showcase Questions & Answers and a schedule, informing you of your child's performance date and time. Please note that the schedule is subject to change. We will also have showcase T-Shirts for sale and at the show!
